Dedication

TO MISS DUNAGAN:

Who has served in our high school so many years and who, acting in the capacity of dean of girls, has won much admiration and many friends, the Aquila staff of 1943 takes pleasure in dedicating this book.

Foreword

The staff has attempted to portray your school life and activity in the following pages for the year 1942-43.

We trust that this book may bring to you the memory of many happy days and pleasant experiences.

Our Superintendent

MR. ALEXANDER

Mr. Alexander, our superintendent of schools, has been with us for several years. He has attended the Western Washington College of Education and the University of Washington. His duties as superintendent are numerous and very important. He has always proved himself a very capable leader, exercising patience and tact in administering his work. His knowledge of geometry and his patience in teaching makes him well liked.

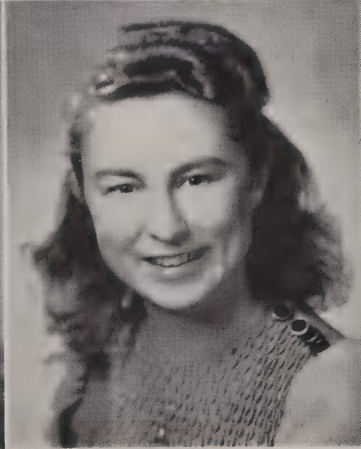

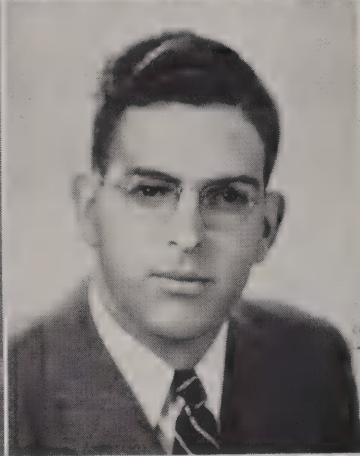

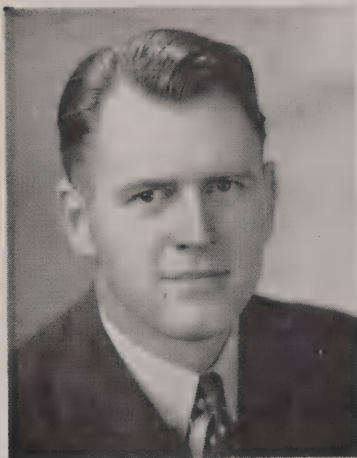

Our Principal

MR. CONE

Mr. Cone attended the Western Washington College of Education and University of Washington in preparing to enter the teaching field. After spending several successful years in the Custer schools, in the capacities of superintendent and coach, he served for six months of our current year as principal of our high school, and business manager of our new district.

He is now engaged with the Red Cross, affiliated with an army company, in counseling and guidance service. We trust that he is enjoying his new work in which he has enlisted.

Class History

September 5, 1939 . . . Ah! what a day! . . . A large class of boys and girls entered the halls of F. H. S., carefree, happy, and some a trifle frightened, probably not realizing what the four years had in store for them.

After a few hours we began to think that we were finally a very important part of this organization but we are very sorry to say that after our initiations we found that we were just meek little "freshies," not really knowing what the score was.

We chose "Today we follow, tomorrow we lead," as our class motto. Red and White were our class colors and the carnation our class flower.

During our sophomore year our class was increased by students entering from North Bellingham. In our senior year it was enlarged more by students entering from Custer and Lummi Island district.

During the four years in high school, many parties and activities were planned but due to the financial condition of the class and other obstacles which arose, these plans were never carried out.

At last it is here, our senior year. We finally come to realize that four years of our happiest days have come to an end (so they say). We are proud that many of the senior boys have shown their true worth in joining the colors of our nation so that in years to come other boys and girls like ourselves may appreciate and show the same privilege which we have had in the past.

This year being diverted from normal times we have not attempted to have any social activities as we feel that we should do our part as well as those that have left our senior class to help bring this war-torn world back to normal.

The senior class play "Early to Bed . . . Early to Rise" was the main event in our senior year and it couldn't help but be a great success under the direction of Miss Still and Mr. Loreen, our class advisors.

We feel that our class was very outstanding in the fact that ten members graduated in three and one-half years. They are: Don Moles, Howard Tawes, Karl Steltz, Alvin Voskamp, Stan Plant, Ted Holtzhiemer, Don Mount, Ken Grout, Leonard Lott, and Margaret Shintaffer. Emily Bauthues has completed high school in three years.

Our class officers during these four years were as follows: Freshman—President, Clifton Johnson; Vice-President, Don McLeod; Secretary, Margarette Erickson; Treasurer, Harry Oxford. Sophomore—President, Margarette Erickson; Vice-President, Gerald Unick; Secretary, Lois Heimberger; Treasurer, Don McLeod. Junior—President, Don McLeod; Vice-President, Kenny Riley; Secretary, Shirley Gawley; Treasurer, Doris Pehrson. Senior—President, Clifton Johnson; Vice-President, Donna Willard; Secretary, Borg-hild Kelstrup; Treasurer, Don Martin.

As a farewell we would like to thank our teachers, parents, and friends for their aid and encouragement which they have so faithfully given us when the way seemed discouraging. We feel that our class is not ending but just beginning.

Class Prophecy

Drawing back the curtain of time, we travel down the years to 1960 and bring to you the activities of those who passed through the doors of F. H. S. in the year 1943, never to return again.

HUBERT JONES—up and coming young preacher has replaced the Rev. Gamlin since he left.

DON SAGER—is now the dance partner of Betty Hutton in Hollywood, but he is having a hard time following her.

RAY ANDERSON—has advanced immensely. He is now the official water boy for the Globe Trotters. Keep it up, Ray.

PAUL BARCI—is now spending his time on an article which is being published in all the popular magazines entitled "How to Get Your Women."

EMILY BAUTHUES—is now spending her spare time competing with the Quiz Kids. They say she has even won a round recently.

BETTY JEAN BRILL—has left for China, to become the wife of a great missionary.

FRANCES CREASY—settled down in the quiet town of Custer studying over her faded and badly worn letters from the last war.

LORALEE ERICKSON—has become the editor of the New York Tribune.

SHIRLEY GAWLEY—better known as "Mouse," has entered the Ringling Brothers Circus as head of the Mice Ring.

LAURA LEIGH GRANGER—is now the assistant manager to the vice-president of the Lummi Island Riding Academy.

DOROTHY HANSON—is chief foreman for the riveting gang at Boeings.

LOIS HEIMBERGER and KENNY RILEY—America's number one lovers of 1960, are in New York, now playing in Romeo and Juliet.

BEVERLY JACKSON—is now the wife of the famous navy admiral who took over Tokyo.

CLIFTON JOHNSON—is now seen in all the popular magazines advertising Fitch Shampoo.

BORGHILD KELSTRUP—has achieved her lifelong ambition of becoming the new Ferndale High School P. E. teacher.

VERNA MAE KING—has been trying hard to get rid of her middle name "Mae" but hasn't succeeded, but has changed her last name.

IRLYS LEWIS—has become the director of a great radio drama "Superman," with a certain army man playing the role of Superman.

MARY RUST—is private secretary for Lt. D. M. She doesn't worry about getting letters now.

BILLY SCHRIMSHER—has now taken over Bing Crosby's stables, and is giving free rides to the graduation class of 1943 who have the opportunity of coming to Hollywood.

VIRGINIA STOWELL—who has been waiting for her grade school romeo, has finally found him and they are now living in a little white house with blue violets in green window boxes and a white picket fence running around the yard. We are informed that the picket fence is not the only thing that is running around the yard.

DORIS TALMAN—was caught in the act of writing a letter to a supposed boy friend, but it turned out to be her cousin.

GERALD UNICK and GLEN MELDAHL—are now participating in the sleeping contest at the University of Washington study hall.

DONNA WILLARD—has now decided to leave her date at 12:00 p. m. instead of 3:00 a. m.

DONALD MARTIN—has now become the chief manager of the Bellingham Hotel. We have been informed that he is giving special rates to any person of the graduation class of "43."

JERRY MOHRMANN—who has sworn off going steady in 1943, is now back to his first steady again who lives on N. W. Ave. in Bellingham. We are informed that it's going to be for keeps.

LOUISE MOSER—is steering clear of the Waves. It couldn't be because Waves can't marry sailors, could it?

LESTER NEEVEL—is now taking over Mr. Loreen's position as the agriculture teacher of Ferndale High School.

GERALDINE OSWALD—has finally changed the Alaska gold ring for a diamond.

NELDA O'BRINE—is now the Whatcom County head nurse. We are advising you to be of good standing with her or she will put you in quarantine for some time.

ALYCE MAE OXFORD and DONALD POPE—are now headed for Alaska in the Pope tug boat. Alyce Mae as the cook, and Don as the captain.

HARRY OXFORD—doesn't need to worry about shoe rationing for he is now raising little Oxfords.

DORIS PEHRSON—her hair style is now being copied by Lana Turner.

VIRGINIA PENDLETON—is proudly displaying her voice by singing in the army camps. We say army because we see a ring on her finger from a certain soldier by the name of Hansen.

ANNA PETERSON—is now the radio operator assistant of the Army Air Corp who's initials are C. W. N.

DON PROUTY—is now the head of the Prouty Creamery which his father has retired from.

EINAR RAHM—is now singing at the Metropolitan Opera as tenor soloist.

JUNE STREETS—is happily married to a Marine. We found out she wasn't satisfied with the navy, either.

JEANETTE WISNER—has now moved back to Canada and taken over the old homestead.

DONALD MOLES—has completed his four years of college in six years. He has made a new record.

DON MOUNT—has now completed his trip around the United States on his horse in 1960.

HOWARD TAWES—has now taken over the Riverside Golf Course.

LEONARD LOTT—has come back to locate his school sweater among the Custer girls.

KENNETH GROUT—has finally come back to get BETTY PROUTY and take her back to the South Seas where he has located a home.

KARL STELTZ—has now taken over the Dorr stage route, "For Girls Only."

NELLIE HOLTZHIEMER—is still making a collection of engagement rings.

STANLEY PLANT—still hasn't made his mind up whether it shall be blonde, brunette or red head, but we think he will decide on a Ferndale blonde.

RAY GORZE and MARGARET SHINTAFFER—Ray has decided to stay in the navy for his complete twenty years so Margaret could be his private secretary. They both agree their work is more interesting this way.

TED HOLTZHIEMER—is soon to get his rating as Chaplain of the army.

GARY LITTLETON—has finally turned his derby hat in to the Salvation Army.

Junior Boys

Junior Class

Although the Junior Class has not achieved much as a unit since entering Ferndale High School, it still hopes to accomplish something worthwhile before leaving this school.

Many new students have entered since the Freshman year. In that year students entered from the North Bellingham district and during the Junior year, students entered from Custer and the Lummi Island districts.

Many of the members of this class take an active part in the school, including music, sports, and various activities. The boys who have shown remarkable ability in the various sports are Henry Otterlei, Bob Powell, George Dorr, George Beaudreau, Jack Kindlund, Ben Schoessler, and Bill Nolte.

Several members are in the Dramatic Club, Ushers Club, Executive Board, and in various boys 'and girls' club committees. Bob Powell is the president of the Boys' Club.

The advisors are Mr. Gates and Miss Finnamore.

Sophomore Boys

FIRST ROW—(Left to right): Lee, Wright, Nelson, Boggs, Stowell, Peterson, Philpott, Franklin, Nordtvedt. SECOND ROW—Fryer, Larson, Gilbert, Graham, Ryer, Engels, Sibly. THIRD ROW—Byers, S. Bring, Leonhard, Bizer, Sundean, D. Bring, Granger, Talman.

SECOND ROW—Phillips, Dwight, VanderMark, Parks, Schlagater, Grieb, Sereiber, Trout, Brevik, Anderson, Hardman, Boraker, Sturgis. THIRD ROW—Roges, Brink, Fox, Unick, Shields, Knight, Whalen, Bakkom, Johnson, King.

Sophomore Class

The Sophomore Class has done very little this year as a class unit. However, the individual members are taking an active part in the school's activities.

The officers for this year are: John Gamlin, President; Marilyn Moles, Vice-President; Myra Anderson, Secretary; and Irvin Grout, representative to the Executive Board. Miss Kaiser and Mr. Kanarr are our advisors.

Quite a large number of the class became members of the Torch Honor Society. Marjorie VanDemark, Lenna Schalageter, Frank Peterson, Valgene Stark, and Jimmy Wright were chosen as members of the Dramatic Club. Marilyn Moles was selected as Assistant Editor of your Aquila this year. At the Girls' Club Carnival, Donna Lee Boraker was one of the princesses attending the queen. Also, several of our classmates participate in the various musical groups around school.

Harry Lee and Harris Byers were managers of the football team while Lyle Granger, Raymond Ryer, and Vernon Bizer played with the team. The sophomore basketball team played in the intramural at noon.

Most of the girls joined the G. A. A. but only a few of them will receive letters for girls sports. Evelyn Knight and Marilyn Moles were chosen for the Volleyball Honor Team and Valgene Stark and Francis Phillips for the Basketball Honor Team.

To those who so nobly answered our country's call, we dedicate this page of our 1943 Aquila.

We are proud of the large number of representatives we have from our school, who have left this year. They are:

Activities

Executive Board

The Executive Board, representing the students of F. H. S., has accomplished efficiently its legislative and administrative duties for the year. Some of the duties of the Board consist of arranging the plans for assemblies, budgeting the finances for the various organizations, and also the plaques being a part of the Board's work are in charge of the Vice-President.

Its members are: President, Jerry Mohrmann; Vice-President, Madalyn Lobb; Secretary, Lois Heimberger; Treasurer, Einar Rahm; Snior Rep., Stan Plant; Junior Rep., Henry Otterlei, and Sophomore Rep., Ervin Grout. Advisor, Mr. Axelson.

Tattler Staff

The Tattler Staff has been putting out the school paper every other week and with Lorelee Erickson as the editor the staff has become fairly efficient. Miss Still and Miss Kaiser were quite busy at the first of the year and were almost putting out the paper by themselves until the staff became more acquainted with their new tasks.

Aquila Staff

With the whole-hearted co-operation of the staff, the editor, and our advisor, the staff has endeavored to publish your Aquila for 1943.

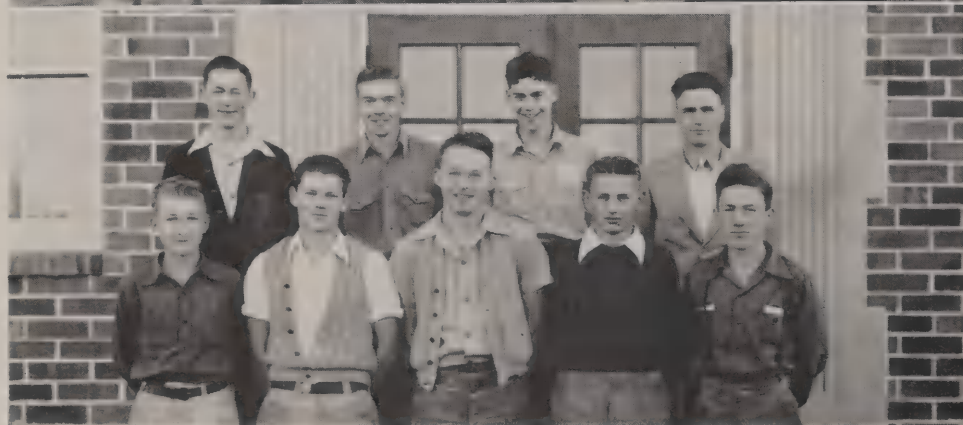

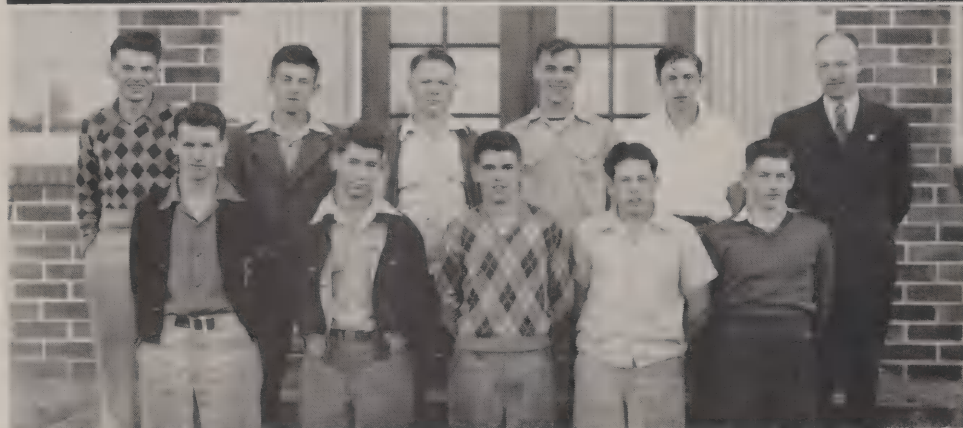

Due to the war, the materials for your book are hard to obtain and also higher priced. Yet the staff has no more money to work with than did the staff of last year, who could buy better materials for lower prices.

The staff has tried to show, through pictures and articles, the portrayal of your school life, both at play and at work.

While printing the annual is no easy job for the people responsible, it has put forth its funnier sides and has been enjoyed by all on the staff.

The staff appreciates the efforts of all who have helped it in any way to publish this year's annual.

The staff sincerely hopes that you enjoy the Aquila as much as it enjoyed publishing it.

Boys' Executive Committee

The Executive Committee met only two or three times this last year, but hope to get a little more organized next year. This committee was composed of the officers of the Boys' Club and also the chairman of each committee in the club. This committee met for the purpose of looking over and discussing the constitution which was drawn up at the first of the year by another committee.

Boys' Club

At the first of the year each member of the Boys' Club was placed on several different committees on which he served for the remainder of the year. The committees purposes are to promote citizenship, find activities for boys, and many other things.

The Boys' Club has accomplished much for its first year as an organization. They had a very successful Scrap Drive which netted the club about \$90.00. The club also had some good entertainment including Coach "Chuck" Lappenbusch of W. W. C. E., Mr. Fields of the Forest Service, and some others.

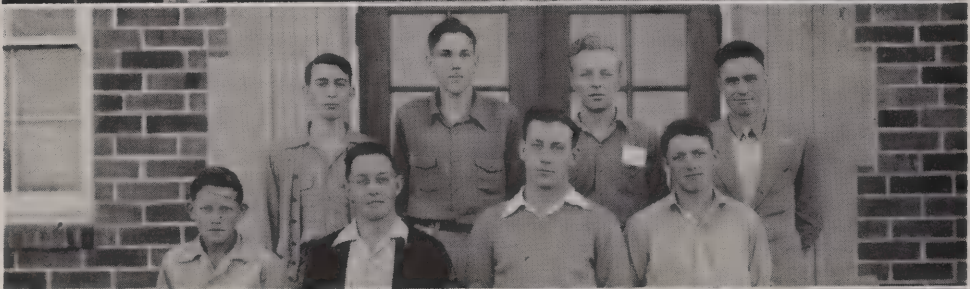

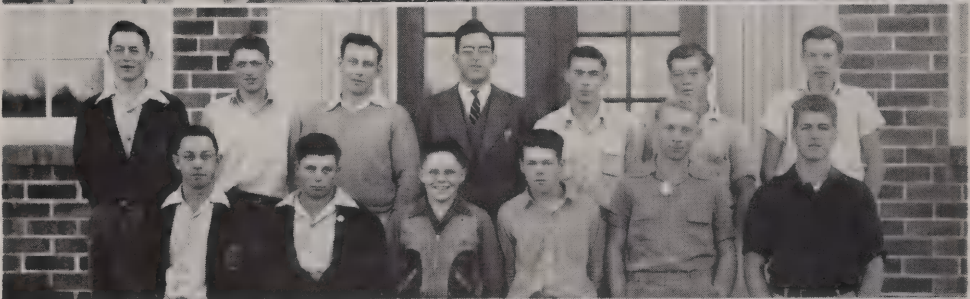

The officers are: President, Bob Powell; Vice-President, Bill Beard; Secretary, Kenny Riley, and Treasurer, Jack Pehrson.

Booster Club

The Booster Club has put on assemblies for various basketball games and to a certain extent helped get the crowd out to the games. They have not had much to do during the last few meetings, but suggestions for swimming parties, movies, etc., were made. George Beaudreau is the chairman and Jack Kindlund is the secretary.

Citizenship---Scholarship Committee

This committee comprises the former Scholastic and Citizenship Committees who joined hands in the middle of the year. This step was taken because the two committees alone were too small to be efficient due to the fact of so many boys leaving for the armed forces. The duties of this committee is to help in some way the citizenship and scholarship of our boys in high school. The officers for the past year were: Clifton Johnson, Chairman, and Einar Rahm, Secretary.

Activity Club

The Boys' Activity Club have been fairly active. They laid out plans for a Boys' Club skating party to which the girls were also invited. This club has also laid out plans for horseshoe during the spring. They were also working out plans for noon soccerball in which all boys of the senior high can take part in. The officers of the Boys' Activity Club are: Raymond Anderson, Chairman, with Cleary Cone as Secretary.

Nominating Committee

The Nominating Committee was composed of a few chosen boys, whose job was to make nominations for the officers of the club for the year. This was also the committee which drew up the constitution.

Service Club

The Service Club has performed various duties around the school such as draining off the athletic field, parking cars at school events, and other odd jobs. It has about twenty boys in it. Another important job they have performed this year is organizing the air raid program in case of a real raid. Henry Otterlei was Chairman of the committee, and Stanley Bring was the Secretary. Mr. Loreen was the Advisor.

Program Committee

Kenneth Grout was chosen Chairman at the first of the year, but he joined the service and Stan Plant was elected to take his place. The committee discussed different plans for speakers and other entertainment for the Boys' Club. Again another chairman was elected because of Stan Plant's leaving for the army. Glen Meldahl was elected. This committee had been practicing a play but cold weather and other activities prevented its presentation. A number of the cast came down with the measles. Some of the speakers and programs presented were: Lappenbusch from the W. W. C. E., a basketball picture, Mr. Fields from the Forest Service, and a general assembly in which Don Pope won 50 cents for his discussion on girls. Eugene Larson was Secretary of this committee.

Citizenship and Scholastic Committee Combined

Finance Committee

The Finance Committee officers for the year were: Harry Oxford, President, with Ken Grout and Ernest Stowell as Secretaries. The Finance Committee planned a Scrap Drive for the early months of the year, and planned for a skating party in April.

Girls' Club

Our Girls' Club was organized a year ago and has been successful so far due to the co-operation of the girls. Since its beginning, we have been lucky to have at its head two reliable presidents. Our president this year is Irllys Lewis with Matilda Kively as Vice-President, Beverly Jackson as Secretary, and Sarah Lou Siddle as Treasurer.

All the girls in the student body of Ferndale High are automatically in this worthwhile organization. It gives all the girls opportunities to have some kind of activity to think about and work in.

Standards Committee

The Standards Committee has been quite active this year. At the beginning of the school term this group planned the ceremony for the installation of officers, which was very successful. During the year the members have had charge of the sale of War Stamps and Bonds. The Standards Committee helped to make the Girls' Club Carnival a successful affair, and now this group is busy making plans and preparing for the Mothers' and Daughters' Tea.

Pep Committee

The Pep Committee this year has been a fine group for co-operating. Due to transportation difficulties the club was not able to attend the games played away from home. Pom-poms were made and sold to the student body to promote school spirit at the games.

G. A. A.

The G. A. A. takes care of all girls' sports such as volleyball, basketball, badminton, track, baseball, and various hikes. All the girls who earn their letters are entitled to plaques. A G. A. A. tumbling team gave an exhibition of their acrobatic skill at the All-School Revue.

Program Committee

The Program Committee has furnished entertainment for all of the Girls' Club meetings. A short one-act play was presented at the Girls' Club Valentine Party, and another play was given for the whole student body. The girls did a fine job and had many interesting and novel suggestions to offer.

Service Committee

The Service Committee officers this year are: President, Virginia Pendleton; Vice-President, Donna Willard, and Secretary-Treasurer, Alyce Mae Oxford. Due to the food rationing it was impossible to have the annual Football-Basketball Banquet. We published a school pep book and made a Service Scroll. The money left from sales was donated to the Annual.

Library Committee

Under the supervision of Miss Dunagan, the Library Committee has accomplished a great deal during the past year. In addition to the daily "checking in" and out of books in the circulation department, each girl was assigned a special project to work on during her spare time.

Officers for the year 1942-43 included: President, Anna Peterson; Vice-President, Jean Douglas; Secretary, Sarah Lou Siddle; Treasurer, Dorris Talman; Reporter, Dorothy Hanson.

Big Sister

The Big Sister Club is one of the divisions of the Girls' Club. This club's duties are to acquaint new girls with our school and pupils, send get-well cards, and promote friendship among the girls. The President is Barbara Martin; Vice-President, Dorothy Park; Secretary, Dorothy Hicks. Mrs. Hughes is the Advisor.

Publicity Committee

This committee afforded the publicity for the Girls' Club Carnival in November. The committee is under the supervision of Miss Still and has the duty of supplying publicity for all special high school activities. Several of the group are good artists and furnished attractive posters for advertising purposes.

Ushers Club

The Ushers Club is a group of ten girls organized to serve their school by ushering at all school events. Some of these events are the All-School Revue, all music concerts, graduation, and other performances during the year. This year they chose Betty Jean Brill as the President, but elected no other officers because there was no need for them.

Dramatic Club

Several new members were added to the Dramatic Club at the beginning of the year. Irllys Lewis was elected President; Jack Pehrson, Vice-President; Donna Willard, Secretary, and Shirley Gawley, Treasurer. Several plays have been presented to the student body by this club during the school year. Miss Still has been the Advisor.

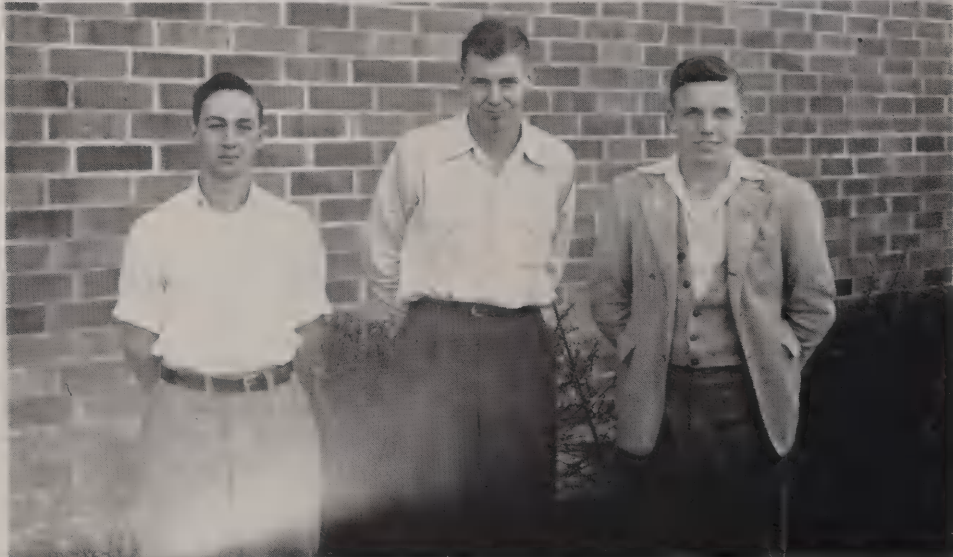

Torch Honor

The Torch Honor held its Annual Banquet in November, the new members were initiated, the Juniors prepared the banquet and the Seniors sat back and relaxed as usual. Since then the Torch Honor has done nothing as a club. Lorelee Erickson was elected President; Barbara Martin, Vice-President, and Shirley Gawley, Secretary-Treasurer. Mrs. Hughes has been the Advisor.

Chorus

One of the largest and best choruses Ferndale High School has ever had appeared in various programs throughout the year.

The chorus sang several selections at the All-School Revue and Spring Concert. Two smaller groups from the chorus sang at the annual Christmas caroling contest and won first and second prizes.

Much of the success of the group is due to the hard work and efforts of Mr. Monroe, their director.

Band

Mr. Monroe and his band have been responsible for much of the pep and school spirit at the football and basketball games this year. They have played for pep assemblies as well as turning out for every home game. For most of the games the Drum Majorettes gave a half-time floor show. At the Red Cross Benefit game the full band marched and formed patriotic figures.

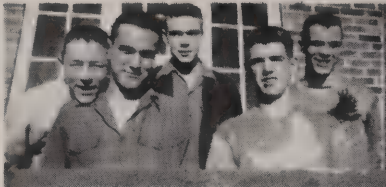

At the All-School Revue they gave a novelty number and several marches. They also helped greatly with the Spring Concert.

Orchestra

The Orchestra, under Mr. Monroe's excellent direction, has performed several times this year for the public.

They furnished the overture and a musical background for the All-School Revue. Taking part in the annual Spring Concert, April 2, was perhaps the biggest project of the year, since, due to transportation difficulties, it was impossible to attend the Northwest Music Meeting. They also supplied several numbers for the Senior Class Play and will play the processional and recessional for the Baccalaureate and Graduation exercises.

It is very unusual for a high school the size of Ferndale to have an orchestra which has made such a good name for itself, as ours has.

Football

For the third consecutive year the title of County "Champs" has been obtained by Ferndale's Golden Eagles. Under the captaincy of Stan Plant this year's eleven were unscored upon in any of the County games, but were, however, beaten by a much stronger Bellingham High School team.

The new coach, Dave Clarke, had to build practically a new team, being hard hit by the loss of last year's nine graduating seniors.

Next year's team will be hard hit by the loss of this year's Senior lettermen. These boys are: Captain Stan Plant, a driving guard; Jerry Mohrmann, a good tackle who often upset the other team's play; Gerald Unick, a smart guard; Don Pope, a hard-hitting fullback; Leonard Lott, who came through at tackle; Ray Gorze, a first rate center; Ray Anderson, a fast end; Ted Holtzheimer, a smart quarterback; Ken Grout, a smashing halfback; and Earl Unick, short but speedy halfback.

Even though the team will suffer greatly by the loss of these players, we have the highest confidence in the ability of our coach, Dave Clarke, to build another strong team next year.

Basketball

This year Ferndale's Golden Eagles ended up in fourth place. This was due mainly to the lack of reserves. Some of the players being drafted. The first game of the season showed that the boys really had some fight. This game with Nooksack Valley at the end of the regular playing time was tied 21-21. The first overtime was scoreless, both teams having a wonderful defense. In the second overtime Ferndale kept firing at the basket until Otterlei connected, ending the game 23-21 in the Eagles' favor.

Ferndale's hopes are quite bright for next year. The squad loses only two lettermen, Mohrmann and Littleton. Those coming back are: Otterlei, Powell, Dorr, Beaudreau, and Cone. These boys will have the reserve power of the Sophomore and Freshmen also.

The staff wishes the best of luck to the boys and their coach, Mr. Axelson.

Baseball

Under the leadership of a new coach, Winton Gates, Ferndale's Eagles of '41 and '42 were barely beaten out of another baseball championship. Ferndale waded through the opposition as if there wasn't any. The last game with Lynden was really a thriller. Neither team had lost a game so the winner of this one was to be the "Champ." Ferndale led until the fifth inning but then Lynden found their hitting eye and were soon ahead. They managed to retain this lead, thereby winning the championship.

This year (1942-43), however, was a different story. Ferndale and Lynden again met to decide the championship. Lynden's ace pitcher, Jorrison, was blasted for five hits which resulted in four runs for the Ferndale boys, while all Lynden was able to manufacture was one run for the entire contest, Ferndale thereby winning 4 to 1. Cone and Schoessler were the batteries for Ferndale. Congratulations to Mr. Gates and the boys for winning the championship.
